Explain in detail the reasons for your position that the newly filed case is related to the earlier filed case.

The earlier filed case and the newly filed case flow from events that share significant commonalities, in time, place, parties and character. Specifically, each plaintiff alleges suspension without just cause by the same employer (Defendant the Philharmonic) on the same date for the same invalid reasons, and also violations by the union (Defendant Local 802) of its duty of fair representation in connection with its actions and inaction in connection with the suspensions. Thus each plaintiff individually brings a hybrid action under Section 301 of the Labor Management and Relations, and related state law claims.
